The capital forum provides an opportunity to meet capital providers and businesses seeking capital, as well as to hear a panel of industry experts discuss financing alternatives for cyber security businesses.

Industry Investor Panelists:

Russell M. Artzt: Co-founder and former Chairman of **CA Inc.** (NASDAQ: CA) (formerly, Computer Associates International Inc.) Mr. Artzt led CA's eTrust security brand, and was responsible for all aspects of CA's award-winning eTrust security product line. With more than 30 years experience in the IT industry as a technology leader, consultant and executive, in March 2008 he was inducted into the Long Island Technology Hall of Fame.

Robert Brill: Founding Managing Partner of **Newlight Management** and was previously a General Partner of PolyVentures, venture capital funds whose principal investment focus was on early stage investments in technology companies. Before joining PolyVentures, Mr. Brill was a successful "turn around" CEO at two technology companies. Dr. Brill was a founding member of the Technical Advisory Board of the Semiconductor Research Corporation and a 2012 inductee into the Long Island Technology Hall of Fame.

James McIlree: Equity research analyst at New York-based investment bank **Dominick & Dominick**. Mr. McIlree has close to 25 years experience in the investment business, as a sell-side research analyst and buy-side analyst and portfolio manager, primarily focusing on emerging growth companies in the defense electronics markets.

William Reinisch: Based in New York City, Mr. Reinisch is a Partner of **Palladin Capital Group**, a private equity firm with a proven

track record of financial expertise, national security experience and specialized technical competence.
